Mission Statement:
École Robert Browning is
a bilingual setting where
we respect ourselves and
others. We accept
responsibility for our
actions and our learning.

L'école Robert Browning
est un milieu français où
nous respectons nous-
mêmes et les autres. Nous
acceptons la
responsabilité de nos
actions et de notre
apprentissage.

Concours d'art oratoire 2015

Recently, the school held our annual Concours d'art oratoire (French speaking competition) and we would like to recognize the hard work of all the students and staff involved in the school-based competition. From this competition, four students were selected to represent École Robert Browning at the divisional competition which took place on Wednesday, March 4th at John Taylor Collegiate. Congratulations to:

Grade 3/4 Early Immersion Category

Jessie S. -3rd place

Cayden H. -3rd place

Grade 3/4 Francophone Category

*Kiana M. -1st place

Grade 5/6 Early Immersion Category

Quinn T. -2nd place

*Kiana will now proceed to the provincial finals which will take place in May at the University of St. Boniface. Bonne chance!

Expo-Projets/Project Fair 2015

Our annual Project Fair was a huge success! Our students working individually or with a partner, proudly exhibited over 50 projects. The judges who were invited to our school were very impressed with the quality of the projects and the presentations by our students. Our project viewing evening was very well attended and highlighted many interesting aspects of science, creative writing and general research.

The following students have been chosen to represent École Robert Browning at the Divisional Science and Mathematics Fair which takes place on Wednesday, April 8th at George Waters Middle School/St. James Collegiate:

Grade 3

Shay C.
Jessie S. and Avery P.

Grade 4

Sydnee M.
Wyatt M.
Alexis L.

Grade 5

Brendan P. and Ryan D.
Quinn T. and Anna R.
Deanna C.
Sameer B
Marcus Trickett

The following students have been chosen to represent École Robert Browning at the Divisional Heritage Fair which will take place on Thursday, May 7th at Lakewood School:

Grade 5

Lauren A.
Paityn C.
Katie O.

We would like to congratulate all of our participants on a job well done. We would also like to thank all those family members and friends who took the time to view the projects in our gym and interact with our young presenters. Your words of encouragement and support can only inspire our students to achieve their very best!

SPRING

News from the "Garten"

For the month of March, kindergarten students have been learning about the story of The Three Little Pigs and The Big Bad Wolf! We have created straw, wood and brick houses, the big bad wolf and the three little pigs out of different craft materials! We have also been writing about the pigs and different vocabulary and phrases from the story. We have played exciting board games where the wolf huffs and puffs and blows you right off of your square! We have seen three different video versions of the three little pigs and have had a blast role playing and acting out the story during carpet time.

Volunteer Tea

École Robert Browning will be hosting a tea in May to say "merci" to all our school volunteers who have helped us throughout this school year. Invitations will be sent home soon with students. Please reply as soon as possible. We have checked our records carefully but oversights can occur. Please do not hesitate to contact our office at 837-8381 if you helped out this year and did not receive your invitation. More information will follow shortly.

Family Math Night

In May 2015, École Robert Browning will be holding an exciting event: FAMILY MATH NIGHT. Students, parents, siblings, and other relatives are invited to attend a fun-filled evening of mathematical pleasure. The intent of Family Math Night is to participate in math standards in action as we strengthen the mathematical application, problem solving, and communication skills of students through the power of family interaction. We encourage you to continue to support your child's mathematical growth through your participation in Family Math Night. More information will follow shortly.

Staff Appreciation Week!

The staff at École Robert Browning would like to thank all parents who made our week so enjoyable. École Robert Browning is very fortunate to have such wonderful parents. A special thank you to our Parent Council for the wonderful gifts they provided to all staff.
Merci!

To all Grade 5 students going to Golden Gate:

Do you have a child who will be entering Grade 6 at École Golden Gate Middle School and taking band next year? We would like to make you aware of two important dates. To make sure everyone gets an instrument that they are best suited for, Golden Gate will be hosting two "**Choose Your Instrument**" nights on **Wednesday, April 22 and Thursday, April 23 from 4:30-6:30PM**. Parents are asked to call Golden Gate at 204-837-5808 to make a 15 minute appointment for ONE of these evenings. During the appointment, students will have the chance to try all of the instruments available to them next year and choose the instrument they wish to play. It is very important that students attend this evening as there will be instrument specialists on hand to assist students in making their choice. If you have any questions, please contact one of the band teachers - Mr. Popiel (cpopiel@sjsd.net) or Mme Martin (cmartin@sjsd.net). You can also reach us by phone at the number listed above.
